- A great job for a two-person team, and a great way to get some exercise!

#### Grass Valley and Nevada City stores:

- 7 Days/Week, 7-9:30am.
- The stores in GV and NC are split into TWO routes covered by TWO separate drivers.
- Each route takes about 2-2.5 hours.
- Helpful to have a pickup truck, SUV, or van.

#### Penn Valley and South County stores:

- 6 Days/Week, 8-9:30am.
- The stores in Penn Valley are on their own route and the store in South County is its own route.
- Each route takes about 1-1.5 hours.
- Helpful to have a truck or van, but a smaller vehicle is OK too.
- These would be great for folks that live in Penn Valley or South County!
