Good Morning!

Thank you all so much for providing food again for me today and for many of those whom have it worse then myself, I thank you for helping them as well!

Your volunteers are truly caring and generous people. I praise each and everyone of you for giving your time and kind words at times when I have come in depressed. Many of you have lifted my spirits, smiling, chatting with me and encouraging me to go forward. I am a half century year old lady, alone but stronger emotionally and healthier coming from a 16 1/2 verbally abusive marriage. My life, heart and stomach have been filled with joy, hope and faith that comes from each and everyone of you.

Thank You does not seem good enough, you all deserve to win the lottery, live full happy, healthy lives knowing how much each and every one of you have made a difference in mine.

I pray I can do something for ~~someone~~ wonderful someday as you, all, have done for me. God Bless & Carpe Diem
